

AIRCRAFT SALES CORPORATION

International Acquisition and Resale Experts

Some aircraft acquisition companies have vast experience, others none at all.

Thirty years of worldwide acquisition and resale has given us the breadth of knowledge that sets us apart from so many. We have owned and resold literally thousands of aircraft.

Our experience in actual ownership provides the foundation and level of expertise in acquisition and resale necessary to acquire the best aircraft at the best price.

No cartoons, no claims to fame, no adjunct catchy phrases purveying our firm to be other than what it is:
